

All Titan™ Anchor Shackles are Hot Dip Galvanized for premium corrosion resistance and meet or exceed the current RR-C-271 Type IVA Grade B Specifications.

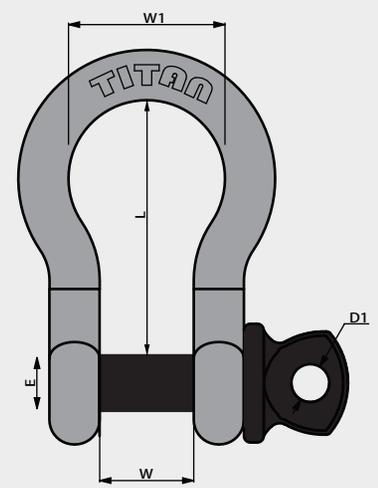

### Why Titan™ High Strength Shackles:

- Breaking strength exceeds that of high test G4 chain
- >30% stronger than standard Grade A shackles (depending on sizes)
- Hot Dip Galvanized coating on both the shackle and pin
- Bow (Anchor) and D (Chain) types
- Bold black colored pin
- Proof tested & load rated
- Working load limit, size, and logo stamped on every shackle
